## **What is TC North Carolina Boys Academy?**

*It is a Christ –centered residential program and school for boys (ages 12-17) to be located in the Hickory/Statesville region. The program is designed to help young boys realize their potential and lay foundations to become courageous and God honoring men. The program exposes students to godly male roles models in a one-year process. We endeavor to help young men understand and experience the value of goal setting, team play, community and, ultimately, helping to set the direction to discover God’s purpose for their lives.*

## **COMPREHENSIVE CHRISTIAN FAITH-BASED SOLUTION**

The young men are presented with opportunities for group and individual counseling, family counseling, organized sports and recreation. Leadership skills, developing integrity and the critical importance of work are learned through indoor and outdoor chores.

TC NC Boys Academy provides youth, adults and families with an effective and comprehensive Christian faith-based solution to life controlling substance abuse and behavioral problems.

Lives are transformed by the power of God. We help the total person by addressing spiritual, emotional, physical and social educational challenges to prepare them for their new life.

## **WHOLESTIC AND TRANSFORMED LIVES**

**Spiritually:** *A student’s symptoms are indicative of deeper problems and conflicts. We understand that a new life in Christ will give one the power and ability to overcome these problems and live a more fruitful and productive life.*

**Emotionally:** *The healing of the soul and past are necessary. Bible studies enhance mental growth and serve as foundation for creating new lives.*

**Physically:** *We care for the physical needs of students.*

**Socially:** *Students learn to work through relational problems with their peers and with families at home. They learn to apply the character qualities they learn in the classroom to everyday living.*

**Educationally:** *Our curriculum is specifically designed to teach students about God and help them to develop the skills required to become a fruitful Christian believer.*
